

Enchanted Manor

Dreaming of a mystical, magical ceremony?

Enchanted Manor is a fairytale venue devoted to love and healing hospitality. Every couple is unique, and their special day should reflect that. Each celebration is perfectly fitted to the couples wishes. Personalised attention to detail to warm your heart. Relish in delicious & healthy vegetarian breakfasts and Simple Pleasures to ensure your stay, and your special day, is full of meaning and Joy.

Small, intimate and magical, Enchanted Manor offers the Special Day of your dreams.

All Sacred Celebrations are offered on an exclusive and private basis, allowing you to dream your enchanted dream into reality.

Every detail is planned to perfection, from where you declare your love, to the place your picturesque photographs will be taken. Creating a magically memorable event for you and your guests is our highest intention.

For the ceremony we can introduce you to our preferred independent Celebrant, the isle's Registrar as well as bespoke wedding planners, who can help make the day run flawlessly.

Whilst we only include breakfast in our Signature package, we can assist with small catering needs like picnic's, champagne & canapés, chocolate covered strawberries, speciality coffee's & teas plus sweet treats from our Enchanted Emporium.

We are nestled on the picturesque South coast of the mystical diamond-shaped Isle of Wight, in the most Southern & sunniest part of the United Kingdom.

The peaceful village of Niton offers breathtaking scenery wherever your feet will wander, and the ever-illuminated St Catherine's Lighthouse is a few minutes stroll away. Built in 1838 the Enchanted Manor beautifully reflects its surroundings.

There are three restaurants very close by and many a coastal or country walk to roam.

Celebrate your love...
